LONG AND KALAKIELA TO

PLEDGED THEMSELVES TO SUP PORT TICKET AND NOW TALK OF FIGHTING IT—COURT-ING HOME-RULERS

Carios Long, twice elected a Republican member of the House of Representatives and recently defeated for the Republican nomination for County Attorney, is talking most peculiarity for a Republican so frequently honored by his district.

Mr. Long said to a Bulletin reporter: "I am going out in an open field against Brown, and you may let that go in your paper, I am not against Catheart, but I will meet Brown at his own game."

go in your paper. I am not against Catheart, but I will meet Brown at his own game."

Long is said to be busy in preparing a speech which he will use on the stump.

The small representation of Hawaiians on the Republican ticket will be Long's principal argument. Long can see nothing to stop him from doing this in so far as he did not pledge to support the candidates on the Republican ticket.

As to his running for County Attorney on the Home Rule ticket, Long would not commit himself. He seems to believe, however, that should he run, he would win out with the argument that he intends to present to the voters. Speaking of his running for County Attorney, the most Long said is this: "Ten days before election you will find a document filed at the office of the Secretary of the Territory." This can mean nothing less than his nomination signed by twenty-five qualified voters and accompanied by a deposit of \$25. But Long's close friends are of one opinion that he would not do such a radical thing as bolt the party.

Jack Kalakiela will run on the Home Rule ticket for Deputy Sheriff if the Democratic, Home Rule and Republican Labor parties can agree upon his name as their candidate. Asked as to his reason for bolting the party if he should run, Jack said: "It is the unfair representation that the Hawaiians have on the Republican

He says that he would not go on a stump egainst Brown. # MONGOLIA IS ON

The liner Mongolia and the trans-port Buford will probably be in the harbor of Honolulu by Thursday at-ternoon or Friday morning. Both ships are now on their way to this port, having left Midway at 6 o'clock yesterday afternoon. Conflicting cable dispatches concerning the movements of the Mongolia have been received and it was stated Saturday that the Mongolia was already on the way. This, it now appears, was incorrect. After the Mongolia came off the reci, it was necessary to transfer the mails to the Buford, and the passengers have also been taken aboard the transport ints need not be taken as an indica-tion that the Mongolia is seriously injured, even were she but slightly dam aged, it would probably be the policy to take her passengers on the othe

Details concerning the condition of the liner are lacking. All business concerning her appears to be being handled in San Francisco. At Hackfeld & Company's it was stated this morning that no news whatever had been recty ved there from Midway, and that all they knew was what they had read in the daily papers. No preparations for the reception or kemporary repairing of the Mongolia are being made here.
